

Environmental Portraits

• The Assignment

- Turn in environmental portraits using different composition techniques
- Photograph 2 people, one must be another student in your class
- Turn in 2 images of each person for a total of 4 photos
- Write a complete caption for each person. So 2 captions — no need to write 4 because the information would be very similar

• Project requirements

- Shoot several options. Turn in your best 4 shots. (2 of EACH PERSON)
- Print a contact sheet. Turn into the tray. Circle the photos you used in red.
- Edit your best 4 photos.
- Place photos on one InDesign page "turn in template".
- The photos should include a caption explaining the subject (who they are and why you photographed them) and the techniques you used to shoot the photos.
- Make a pdf. Turn into Google Drive folder.
