

Legacy Event #1

The Assignment:

- Attend an event at Legacy (can be anything from a club meeting to a practice or game)
 - Take photos of what happens at the event (20ish photos)
 - You should look for interactions between people. Remember, be patient and observe. You are looking for the decisive moment that tells the story of that event.
- Collect information for captions
 - You should have names of those in the photos and details to be able to write a complete caption.
- Turn in 2 photos using the InDesign turn in template
 - complete the 10-Step editing process
 - export a PDF and turn in to the Google Drive folder.
- Save this project as last name_legevent.pdf
