

Apertures and shutter speeds

1. List the standard apertures beginning with f/2

f/2 _____ f/22

2. List the standard shutter speeds through 1/1000

B _____ 1/1000

3. Circle the faster shutter speed in each pair. 1/60 1/250

4. Circle the faster shutter speed in each pair. 1/500 1/30

5. Circle the faster shutter speed in each pair. 1/125 1/1000

6. Circle the faster shutter speed in each pair. 1/15 1/125

7. Circle the faster shutter speed in each pair. 1/500 1/4

8. Circle the aperture in each that will result in shallower depth of field. f2.8 f5.6

9. Circle the aperture in each that will result in shallower depth of field. f4 f2

10. Circle the aperture in each that will result in shallower depth of field. f16 f22

11. Circle the aperture in each that will result in deeper depth of field. f11 f8

12. Circle the aperture in each that will result in deeper depth of field. f2 f5.6
