# Composition Portfolio

Look in magazines and newspapers to find examples of composition techniques. Cut out the pictures and attach (glue, rubber cement, tape) them to a piece of paper by category. Write or type a sentence or two under each group of pictures describing what technique it illustrates and why you think it does. Use this sheet as your cover sheet. You should find **TWO** examples for each category illustrating use of:

- Rule of thirds
- Repetition
- Leading lines
- Angles
- Layering
- Silhouette
- Framing
- Depth of field
