

Job Journalism

Field Trip

WHO: Students in the journalism class with Mrs. Dearing and Mrs. Bandy

WHAT: Visit Balfour Publishing plant

WHERE: Dallas

WHEN: Nov. 7

WHY: This is a great opportunity for students to tour the facility where the yearbook is printed. They will understand the process of how yearbooks are printed and put together. We will also meet with a cover artist that day to finalize our cover.

OTHER: The field trip itself is free, however students will need to pay \$5 (cash) which will cover the cost of lunch.

We will order and have lunch delivered to us at the yearbook plant. Students should bring money for a drink from the vending machine if they would like something to drink other than water.

***** Permission slip and fee are due by Friday, Nov. 2 *****
