

How To Take Good Photos

a Prezi Presentation

Requirements

1. 15 photos YOU have taken to demonstrate good photos
2. The Prezi should give a lesson to a novice photographer
3. Include the composition elements we've learned
4. You may use an additional 5-10 "bad" photos from the Internet

Procedures

1. Set up an Prezi account
2. Create a motion Prezi using composition elements
3. Take photos from your camera (or your phone)
4. Use YOUR photos in the presentation to demonstrate how to take good photos
5. Be creative and entertaining
6. Include a short section on caption writing rules
