

Word Play

The Assignment:

- Take photos of everyday objects that look like letters.
 - You should not use actual letters printed on signs, books, posters, etc.
- Use the photos of "letters" to create words
 - You should have two words
 - + your name (first or last)
 - + any appropriate word of your choice
- Turn in each photo using the InDesign turn in template
 - piece the photos together to create your word
 - each photo should be cropped to the same size
 - export a PDF of your final words
- Save this project as WordPlay_last name_1.pdf and WordPlay_last name_2.pdf

**** See Mrs. Dearing if you would like help laying out your project in a specific size (if you have a frame).
