The Assignment

Take a walk around your neighborhood or to the park. Photograph nature — this can be plants, flowers, trees, animals or the landscape. Look for a clear subject. Don't be afraid to get upclose. Work on proper exposure. Try using different settings like Aperture Priority on your camera. Edit and turn in your **4 best photos**.

** Name your files yourname_nature1.jpg
yourname_nature2.jpg
yourname_nature3.jpg
yourname_nature4.jpg

** No caption or contact sheet required.

** You should edit and crop as usual.

** Upload photos to the **POTW Nature** folder in Google Drive by **3 p.m. April 17, 2020**
