1 Select Photos

Check our policies to see what we can or cannot print. We request a current/senior photo. You must have copyright agreement for all professional photographs from the photographer. We can use as many photos as you want, but the more you have the smaller they are. We suggest three for an eighth page, four for a quarter, 8-10 for a half, 10-15 for a full page.

2 Image Quality

We want your photos to look amazing, so make sure your photos are scanned at 300 dpi. You can take photos to any retail photo department for scanning. Digital images from cameras and photos can be submitted as well. Older model cell phone photos may not be suitable for printing.

3 Write Your Message

Type your message in a word processing software and check for errors. We'll run exactly what you submit. Keep the words to a minimum to allow room for more photos. Due to copyright restrictions we cannot publish song lyrics or poetry. Bible verses are acceptable.

4 Submit All Materials Online

Once you have your photos, your written message and a credit card for payment, log on to www.yearbookforever.com and search for Mansfield Legacy High School. Fill out the form and submit materials and payment.

5 Buy Your Yearbook

The yearbook is not included in the price of the ad. You'll need to return to www.yearbookforever.com and buy a yearbook. Use the coupon code "seniorad" to save some money. You may also add options.

6 Your Proof

You'll receive an emailed proof of your ad within a month. If you don't, it's important you call one of our advisers at (682) 314-0717. When you get the proof, call or email with any corrections.
