

FINAL NOTICE

According to our database, your parents selected NO to allow you to be published in the yearbook and newspaper and our social media sites. We hope your parents mistakenly selected this option. We want to include you in our award-winning student publications!

Your yearbook photo will be pulled from the yearbook!

If you'd like to change your response to YES to be published in school publications (yearbook, LBTV and www.therideronline.com) please return this form (signed by your parents) stating they allow the response change to the journalism room EO102 – near the band hall.

If you do not change your request, all photos of you will be omitted from the yearbook, and you will be **blurred from all team photos**.

If your parents have any questions, please have them contact us at (682) 314-0717.
